The program honors Anthony W. Smith, CPM®, CCIM®, and his commitment to the cause of education and professional development in the real estate industry. See iremchapter39.com for more information and an application.

“The Anthony W. Smith scholarship not only contributes up to \$1500 towards the course track, it also compensates a large portion of the hotel costs. By earning the scholarship, I was able to take the courses in the classroom setting. This not only helped me learn and retain the information better, but also gave me the opportunity to network with other CPM® candidates, and learn from their real world experiences.”
